

Palm Treo Pro Battery Replacement

Boost your phone's sustainability by replacing the battery.

Written By: Kyle Gilbert

INTRODUCTION

In this guide you will learn how to install a battery into your Palm Treo Pro.

PARTS:

- [Palm Treo Pro Battery](#) (1)
-

Step 1 — Battery

- Press down and forward on the back case to slide it out of place and remove it

Step 2

- If a battery is already installed, remove it by pulling up on the tab near the camera lens.
- Insert the new battery into the open rectangle. Make sure the battery is oriented so that the Palm logo is in the upper-left corner opposite the camera lens

To reassemble your device, follow these instructions in reverse order.
